## Mothers and Illicit Drugs

Living with prenatal drug exposure book read reviews from worlds largest community for readers living with pde is an essential resource for anyone who.

### Publications:

Writing from a critical feminist perspective, Boyd exposes some surprising social fictions - those that separate 'good' and 'bad' drugs, as they do 'good' and 'bad' mothers.

#### **Living With Prenatal Drug Exposure A Guide For Parents PDF Book**

When these proportions are compared with data on lifetime use of illicit drugs from the same survey, the rates of use in each of the three categories decrease slightly: 18. Susan Boyd was an Associate Professor in Studies in Policy and Practice at the University of Victoria when she published From Witches to Crack Moms, her feminist analysis of the impact drug law and policy have on women in the U. While trends in women's substance use and substance use problems could not be provided, an overview of key research findings is offered that supports a comprehensive understanding of the topic from a gender perspective and places the findings of the CCHS in the appropriate context.
