Signs You'll Live a Long Life

Unfortunately, researchers found that a rare mutation in this gene was associated with an increased risk for developing dementia. Then the increase will slow noticeably, or stop.

The Longevity Project: Decades of Data Reveal Paths to Long Life

Could this sea of information teach us how to avoid Philip's fate? Now, this research by Nicholas Epley at the University of Chicago Business School is quite amazing because it tells us a simple thing. But the Congressional Budget Office recently concluded that even this soak-the-rich option is insufficient to prevent insolvency for Social Security.

Aging Longevity

From the second half of the George W.

Nature Vs. Nurture In Longevity

Prosperity is associated with smaller households, yet the large multigeneration home may be best for long life.

Can You Lengthen Your Life?

But if you did partake in some puffing when you were younger, you'll still outlive the diehard, never-quit smokers if you ditched the habit before you hit your midlife crisis.

Can You Lengthen Your Life?

. We found that it didn't much matter whether you found your dream job. Many elderly people decline into years of progressive disability, then become invalids.

9 Factors That Affect Longevity

Suppose the escalator slows, and conservative assumptions about life expectancy prevail.
