The consistent Christian says: It is my aim to love God with all my heart, mind and soul. Of course, we are aware that there is a certain truth in this charge and Lenin held this view of Bordiga.

The Evolution of Dialectical Materialism by Z. A. Jordan

This emerging Soviet ecological Marxism deliberately circumvented the Frankfurt School in the West with its less materialist emphasis and suspicion of science—though accepting the analysis of Antonio Gramsci. We shall never have peace on earth and good will among men until we have a parasiteless humanity, and we must wait for this until we have a classless world.

When all these publications are considered, it is impossible to see a reductive economic theory of history in the Marxian conception. You will be surprised, and I do not expect you to understand me, when I tell you that by translating the services and hymns from the language of my old literalism into that of my new symbolism, I am getting as much good out of them as ever and indeed more.
