The History of England from the Accession of James II/Chapter IX

He then married Anne Boleyn. And events and chain of events are not explained. C, with a Profane Catechism selected out of his Works.

Cassell's Illustrated History of England/Volume 3/Chapter 9

So ended the Meerwing or Salic dynasty, and the Karling began.

The Illustrated Macaulay's History of England by John Canning

He always took a heavy military chest with him on his expeditions, and his officers also carried the money necessary for themselves in their belts, or otherwise about their immediate persons. That of England had weathered the danger, and was riding in full security.

Cassell's Illustrated History of England/Volume 3/Chapter 13

The Japanese learned how to cast bronze spearheads and bells, and historical records indicate that, by the late 5th century, Korean artisans had brought in more advanced methods of working iron, making swords and armor, firing finer and more durable ceramics, and manufacturing stirrups, bridles, and saddles. All three produced valuable information about the American frontier. Ideas travelled slowly, for books were few.
