. Upcoming Waskom Family Reunions One key to a successful Waskom reunion is preparation, and for the family researcher that means getting the word out in advance on what to bring such as the family photo collection ; arranging for the display of shared information; and planning activities conducive to sharing; and one of the best ways to get others to participate is in bringing something of your own to share such a picture pedigree, compiled family history or biographical sketch, or even a copies of a treasured photo as a gift for each family -- you may even want to consider putting together a reunion newsletter in advance to be distributed at the reunion, asking for help in solving one or more specific family mysteries: you never know who might have insight they are willing to share, one-on-one.
