## Shared Parenting

Though this style of parenting hindered the actual time the parents had with each other, shifters felt it was necessary. Men hold on to their outside work, making it their most important activity, while mothers consider themselves the primary caregiver.

## Shared Parenting

This is some seriously good applied research - thought-provoking and intellectual, but very readable and lively. In 2011 88% of all 2-year-olds were enrolled in public child care SNAE.

## Halving It All: How Equally Shared Parenting Works by Francine M. Deutsch

Gendered responses to timely inflexible child care demands are increasingly recognized for their importance in reproduction of gender inequality in the family as well as in the labor market. It's planned and it's teamwork and it's talked about and I wouldn't have it any other way. View digitized copy in HathiTrust Library Columbus - University Library of Columbus Call Number HQ755.
