## Soviet Union: Stalin, Cold War & Collapse

Quality of Life The salary rate in the Soviet Union was calculated according to individuals' professions and employment term. All religions are treated with respect; there are no prohibitions or dictates on cultural matters, family policy or the preservation of national traditions. The Structure of Soviet History: Essays and Documents, 230.

## What Was The Soviet Union?

All organisations were obliged to obey the decrees and resolutions issued by the government. This confidence held up until President Jimmy Carter announced that he was considering the development of a neutron bomb.

## Soviet Union

Moscow was the capital of the Soviet Union. If a student tried to raise these questions, he was expelled from the Komsomol, the communist youth league. Lenin has even gone so far as to foresee the eventual disappearance of the Soviets in favor of an economic, purely administrative, body.

## Totalitarianism in the Soviet Union, Italy, and Germany Essay

One of these parades was fired on by some irresponsible Red Guards, and several people killed.

## Soviet Politics, American Style

Despite concerns from political allies of Nicholas II such as Peter Durnovo, the decrepit monarchy embraced the war as a last opportunity to assert Russian modernity for the world to see. In spite of local autonomy, however, the decrees of the Central Executive Committee, and the orders of the Commissars, are valid throughout all the country, because under the Soviet Republic there are no sectional or private interests to serve, and the cause of the Revolution is everywhere the same.

## 9780091317218: The Government and Politics of the Soviet Union

This would have made the tank force of the Soviet Union not only ineffective but a danger since enemies could take over the tanks after the crews had been killed and use them against the Soviet Union. Theoretically they were independent countries; in practice they were controlled by the Kremlin.

**Browse subject: Soviet Union**

Originally published in 1962 by Frederick A. The Cold War with the United States—which began even before World War II had ended—required a massive diversion of funds from the civilian economy to the Soviet military.

**The government and politics of the Soviet Union (1967 edition)**

The identification of communism with a state power expanded later to its political association with the governments in Eastern Europe, China, North Korea, Vietnam and Cuba, along with newly founded revolutionary governments in Africa that were also trying to take a socialist road. The development of industry served only to further increase the military power at the command of the Communist Party leadership.
