## China and the International Refugee Protection Regime: Past, Present, and Potentials

This applies even if the premises are used inappropriately, e. Nevertheless, it is productive to engage in normative discussions regarding refugee policy, as such discussions will help to shape refugee policy in the future.

## Refworld

A draft was proposed by an advisory committee consisting of 44 American scholars and experts on international law, and was approved by Harvard Law School.

## International Legal Responses to Piracy off the Coast of Somalia

It thus seems that the Court accepts to lower the threshold of effective control to establish extraterritorial jurisdiction when there are factual circumstances proving a particular link between the applicants and the contracting State.

## The Regime of Islands in International Conventions (Part 1)

The Convention was opened for signature in Warsaw on 16 May 2005 and entered into force on 1 May 2008. As large-scale refugee movement is becoming a global phenomenon, more and more Chinese overseas investment will be exposed to the threat of destabilisation caused by large-scale refugee flows. Hiding is a pervasive and unsurprising response because PWAs have historically been ostracized—and even killed—as a result of their condition.
