Fragmented integration and transnational networks: a case study of Indian immigration to Italy and Spain

It shows the level of attachment and the loyalty with the host communities. We should not be resigned to fudging: this systematic retreat is not inherent to the functioning of the European Union, nor is it inevitable. In the Indian community, there is a clear divide regarding the perceptions of the host society.

France and European Integration: Toward a Transnational Polity?

The fourth type, diaspora activities, is a subset of homeland-directed transnational activities for groups that do not have a homeland. In the recent public debate, two positions exist on the issuance of the citizenship status to the immigrants residing in European countries Ersanilli and Koopmans. First, Indian immigrants in Spain and Italy live in a provisional state as their ultimate goal is to settle in English-speaking countries e.

Only Transnational Politics Can Break Europe's Deadlock

A focus on the interaction of integration and transnationalism offers a finer-grained perspective than the alarmist, less alarmist but pessimistic, positive and pragmatic view. We selected quotes to present different views regarding the themes under study. The interdependencies that the public health crisis has brutally exposed will not disappear by simply withdrawing from international or European institutions.

Marco Duranti, The Conservative Human Rights Revolution: European Identity, Transnational Politics, and the Origins of the European Convention

In this paper, I investigate whether the determinants of migrant voting in receiving and origin countries differ and the relationship between receiving and origin country voting. An important change is occurring in some supermarkets in major cities of both countries: now, they provide a separate section for South Asian food, in order to satisfy the needs of the immigrant population.

Non

Among the interviewees, this does not occur very frequently: four in Italy and two in Spain have lost their initial residency permit, due to the lack of work contract or less tax paid in the first year of stay.

Transnational politics and political integration among migrants in Europe — IMI

Nagel and Staeheli studied 45 Arab activists in the UK. Covering the period from 1957 to the present, Gueldry examines how regional integration affects French governmental structures, public policies, political processes, and culture.
