Timeline of Welsh history

The bibliography owes much to various
bibliographies produced by John Kenyon
for the Council for British Archaeology, the
Castle Studies Group and others. She
married Trevor Miles while still an
undergraduate in 1967; they divorced in
1975. When Henrietta came to her new
Staff Tutor post in 1970, this was the
structure within which she quickly found
her natural place, and she continued to
work hard in many offices for both
Societies throughout her career, eventually
becoming President of the Devon Society
in 1987-9 and of the Cornwall Society in
2004-7.
