22nd European Corporate Governance Conference

The reduced fees for the virtual conference makes the conference more accessible to you, your colleagues and the BA community world-wide and if you are looking for a 2 day virtual conference access for 10+ delegates in your organisation, we can provide you with an enterprise licence fee.

Proceedings of the Business & Management Conferences

We speak for all-sized enterprises in 35 European countries whose national business federations are our direct members. The conference provides an interactive forum where Business Analysts can virtually meet, discuss and debate how best to rise to the challenges faced by their organisations today and in the future. If you are a power user, you may want to download our excel format , and sort however you like.

22nd European Corporate Governance Conference

With our great line up of user case studies and leading BA experts, you will not want to miss one session. The conference will bring together decision-makers from the public and private sectors to share their unique perspectives on the global and regional trends in corporate governance. Attend the 2 virtual conference days live 21-22 September and you will get access to all 60 conference presentation recordings for 3 months after the conference.
