Prompt closing of connections is important when using connection pools so connections are available for reuse by other pool users.

Oracle for Absolute Beginners: Part 1

The Oracle of the Angels deck by Mario Duguay is great. The installer asks you to provide your email address to get the latest security issues and updates. If you are using Oracle Client 19c, the latest syntax allows the use of multiple hosts or ports, along with optional entries for the wallet location, the distinguished name of the database server, and even lets some network configuration options be set.

Oracle for Absolute Beginners: Part 1

Databases rule the world, and thus, primary keys are all around us. Honestly, though, I don't resonate with the messages in the guidebook, but the artwork of Mario Duguay speaks so clearly and intuitively you really don't need the guidebook to read these cards at all. The Angel Guide Oracle is a bridge between heaven and Earth, bringing together 44 images of guardian angels with insightful, supportive and healing keyword messages.
