Eventually it reached the border of China where the vast sanctuaries of Dunhuang and Yungang revealed wall-paintings and banners and a multitude of statues carved in serried ranks out of the walls of cliff and cave.

Chinese Art

Furthermore, by 1800 BCE, China's advanced culture had also developed a system of writing which is still the foundation of modern Chinese script. The spectacular was assembled for the tomb of , the first of a unified China from 221 to 210 BC, as a grand imperial version of the figures long placed in tombs to enable the deceased to enjoy the same lifestyle in the afterlife as when alive, replacing actual sacrifices of very early periods. Buddhism had spread via Gandhara all along the Silk Road eastwards.

Chinese Art

Yuan Dynasty Art 1271-1368 The Mongols who overran China during the 1270s and proclaimed their new Yuan Dynasty, quickly adopted the Chinese culture. During the global economic crisis, the contemporary Asian art market and the contemporary Chinese art market experienced a slow down in late 2008. The emergence of new commercial areas, like the 798 Art District in Dashanzi of Beijing has proved helpful to many artists.
