The Story of English Summary & Study Guide

And just like every other invention, we need to decide their costs and benefits. There's something about the English language that is overtly intriguing - maybe because it encompasses the history of the world.

The story of English.

Simply by reporting on Black Vernacular and Singlish in the same way, The Story of English demonstrates that neither is something to be ashamed of--or stamped out. What Is Great About It: This may not be technically a story since there is no plot. It is considered by many good judges to be well on the way to becoming the world's first universal language.

The Story of English Summary & Study Guide

What Is Great About It: Despite the best of intentions, our actions can cause more harm to our loved ones than we ever intended. I was horrified to find that the authors gave one just one single chapter!!! Short stories are also a great resource for English learners because they allow you to work on reading, speaking and listening at the same time.

Easy Stories in English

I guess I feel a need to educate them.

The Story of English by Robert McCrum

I was so excited to find a book that brought history and linguistics together! Throughout his journey, he ignores the advice other people had given him and takes his life for granted.

Easy Stories in English

Now revised, The Story of English is the first book to tell the whole story of the English language.

The Story of English: How the English Language Conquered the World 9780857383280

The story also points out that you should judge a person not by what they have, but by what they give.
