# Parallel architectures for image processing - 14-15 February 1990, Santa Clara, California

The Society - Prof. Guang R. Gao's Publications

Description: -

-
Insurance, Unemployment
Image processing -- Congresses.
Parallel computers -- Congresses.Parallel architectures for image
processing - 14-15 February 1990, Santa Clara, California
-
Colección Austral -- no. 24
v. 1246.
Proceedings of SPIE--the International Society for Optical
Engineering ;
v. 1246
Proceedings / SPIE--the International Society for Optical Engineering
;Parallel architectures for image processing - 14-15 February 1990,
Santa Clara, California
Notes: Includes bibliographical references and index.
This edition was published in 1990

Filesize: 47.16 MB

Parallel architecture for image processing : 14

Book Reviews The following review appreared in Scalable Computing: Practice and Experience, Vol. Thesis, Carnegie Mellon University, Pittsburgh, 1995.

Architecture and Programming of Parallel Video Signal Processors

The 11th IPPS was held in Geneva, Switzerland, April 1-5, 1997. Problems of varying complexities, from straightforward numerical examples or exercises to more demanding studies or miniprojects, have been supplied for each chapter. Journal of Algorithms, 31 1 :29—65, April 1999.
